

Commemorative Pavers Order Form

The purchase of a Commemorative Paver at Wellfield Botanic Gardens is a personal way to remember and honor a loved one, say thank you, highlight an event, or show your appreciation for something meaningful in your life. Our *Conversation Garden Walkway* is a meandering trail located between the North Promenade Trail and the northern edge of Swan Pond. It shares the memories, thoughtful remembrances and special events of guests both past and present. Our *Adventure Path* is located along the South Promenade Trail and connects to the Children’s Garden via the Lily Pad Bridge. Every custom-designed paver tells a story - we add your new stories each spring and fall when freshly-engraved pavers are embedded into the walkways at both locations.
